an AQUAFIN Brand

# Finish First with Pavemend

RETURN TO SERVICE and the "need for speed" are the focus of Aquafin's Pavemend® family of ultra high performance concrete repair products. They include a variety conveniently packaged mortars and granite extended structural concretes that address the entire spectrum of permanent concrete repair challenges.

Pavemend® repair technology has a 10+ year track record of successfully solving some of the most challenging infrastructure repair problems in the world. The Pavemend® products have been embraced by the US Military, State DOT's, port authorities, commercial maintenance companies, airports and industrial manufacturing facilities.
